

## 3-PLY HOSE

At Fisher Manufacturing, we are committed to providing you with high quality, durable, and reliable plumbing solutions. The 3-Ply Hose is no exclusion to that commitment, which is why it is guaranteed to last you three times longer than any other hose. Inside the stainless steel armor, you'll find that our hoses are made of a 3-Ply aircraft hydraulic hose that's reinforced by nylon.

When you install Fisher, you install the best.
