

Less obstruction - no need for a longer hose

Flush mount $\frac{3}{8}$ " NPT plug included

Chemical port connection for speedy installation and reduced labor

CHEM TEE

The Chem Tee features an attractive stainless steel design that replaces the current pipe to hose adapter. The Chem Tee offers a port connection for speedy installation and reduced labor costs. No need to "shorten" your existing pre-rinse riser, voiding the warranty and this unit can be ordered after market as well. The Chem Tee includes a flush mount $\frac{3}{8}$ " NPT plug. The easiest, and most innovative addition to your pre-rinse unit available today.
