THE BENEFITS OF CHOOSING FISHER MANUFACTURING

FOR QUICK SERVE RESTAURANT PROJECTS

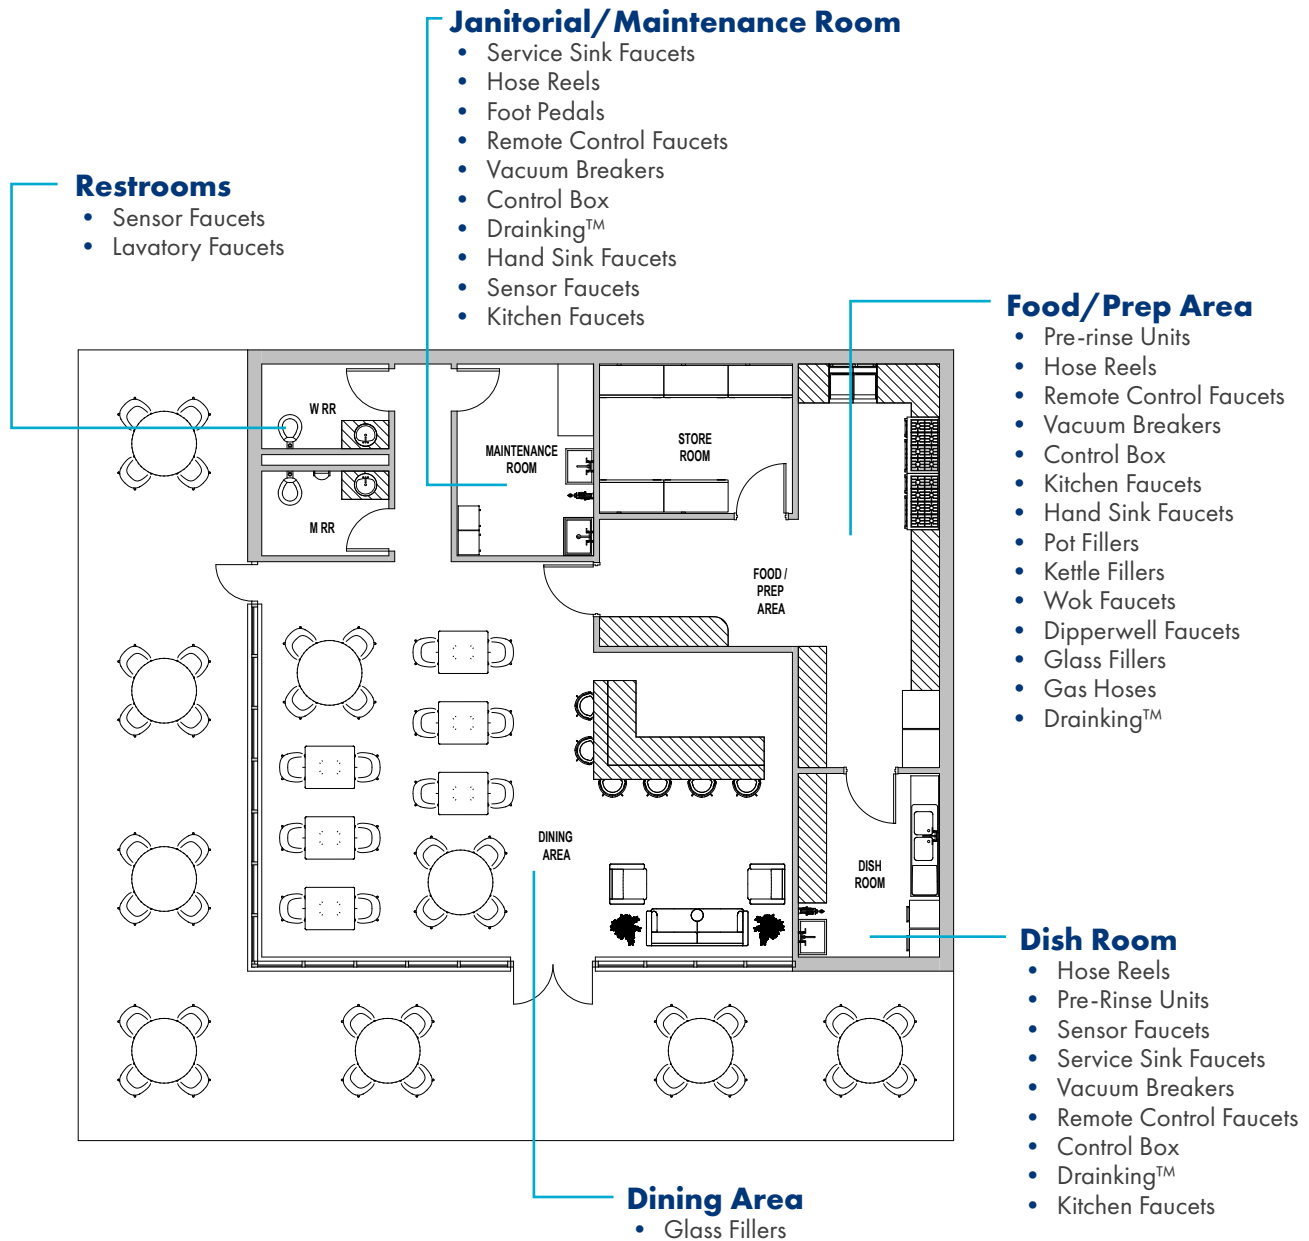

Commercial plumbing fixtures are and will always be our main line of business. We have become experts in commercial applications and the top choice of Quick Serve Restaurant professionals for more than 85 years due to our focus and dedication to excellence. You can depend on the highest quality, innovative features, and competitive pricing from Fisher Manufacturing.

WHY FISHER MANUFACTURING IS THE RIGHT CHOICE

- **Consistent Performance** - Providing superior performance that you can count on.
- **Product Dependability** - Fisher Manufacturing products are designed and built to be long-lasting and durable, even under demanding conditions.
- **Overall Value** - A brand that has been trusted since 1936, Fisher delivers tangible value.
- **Easy to Install** - Designed for easy installation and minimal maintenance with the quick serve restaurant operator in mind.
- **Water Conservation and Sustainability** - Fisher products are designed and manufactured to ensure high efficiency and utilize the least amount of water possible.

VARIOUS OPTIONS FOR EVERY SECTION IN A QUICK SERVE RESTAURANT
